

OUR #1 GOAL:

# Safety in your community

**Sabal Trail exists to help fuel quality of life for millions of people across North America. The safety of the communities near our projects and operations, and the people who live and work along our system, remains our highest priority.**

Sabal Trail's Safe Community program demonstrates our commitment by awarding grants to first-response organizations that support communities within 10 miles of our operations and projects.

## Who's eligible for Safe Community grants?

Grants of up to \$7,500 for safety equipment, professional training or educational program delivery are available to organizations invited by Sabal Trail to apply, including:

- Fire departments
- Emergency medical and rescue services
- Emergency management organizations
- 9-1-1 centers
- Ambulance services
- Law enforcement organizations

**Sabal Trail**

For more information and to apply, please visit [enbridge.com/safecommunity](https://enbridge.com/safecommunity)

### How can these grants be used?

Requests will be considered for funding toward items such as rescue sleds, firefighting foam and equipment, communications and training technologies, Personal Protective Equipment (PPE), boats, ATVs, vehicles, flashlights, Automated External Defibrillators (AEDs), or HAZMAT or related training.

#### How to reach us

If you have questions about Sabal Trail's Safe Community grant program, please visit our website or get in touch with us:

**Email:** [communityinvestment@enbridge.com](mailto:communityinvestment@enbridge.com)

**On the web:** [enbridge.com/safecommunity](http://enbridge.com/safecommunity)

### When and how do we apply?

Applications are accepted online anytime at **[enbridge.com/safecommunity](http://enbridge.com/safecommunity)**, and are reviewed twice a year. Deadline for the spring application review is March 31, and Sept. 30 for the fall review.

Applicants can expect to be informed of funding decisions approximately six weeks after review dates.

As an engaged corporate citizen, Sabal Trail is interested to know how each grant increases community safety. Receipt of the grant and completion of a final report by recipient organizations is one of the requirements of future funding.
